Demonstratingthatithasorwillacquireotherrelevantexperience(listPHA experience,oranyotherorganizationtobeinvolvedanditsexperience,below):

The Amesbury and Merrimac PHAshave integrated the Home Purchase Component of the Housing Choice Voucher Program into their respective Revised Administrative Plans, previous submitted to HUD. The AHA/MHA utilizes a Regional First Time Home Buyers Program - The Coastal First Time Home Buyers Program (Head quartered in Newbury port, MA) to provide training and certificates of completion to any HCV Precipients who wish to participate. Both PHA's pay the \$45 course fee for the program participants from program reserves, as required by HUD. To date, three families hand taken advantage of this training opportunity and have secured \certificates of completion (are quisite for participation in the Home Purchase Program). One individual has purchased a home using the program to supplement their monthly P&I and escrow payments.

The AHA/MHAs taffhas provided the remainder of the expertise required to promote and administer this program. The Executive Director has considerable experience in First Time Home Buyers Programs. This experience was gained by overseeing a First Time Home Buyers program in Lowell, MA provided by the Department of Planning and Development and funded under the HOME and CDB G programs. Over 100 Home Purchases were completed during the tenure of the AHA/MHA director as the City of Lowell Assistance Director of Community and Economic Development. The Director also help to organized the "Home of Your Home Program" Offered by the Citizen's Housing and Planning Association (CHAPA) under the auspices of Freddie Macfor persons with disabilities during his tenure with the Massachusetts Department of Mental Health..
